The rules regulating the supply of liveries to inferior servants in the Civil and Military Station of Bangalore are at S.N. 95/F.268-28. The post of the Ambulance Driver of the Isolation Hospital is not included in Annexure I to those rules because that post was not in existence at the time we submitted the draft rules to the Government of India for approval. Under Rule 6 of the rules, the Resident can however sanction the supply of liveries to any member of the inferior establishment not included in Annexure I, provided that the scale prescribed for a post of a similar nature in the office in which the inferior servant is employed is not exceeded. The scale prescribed for the Motor Driver of the Bowring and Lady Curzon Hospital is Rs.20/- per annum, and, if approved, the Ambulance Driver of the Isolation Hospital may also be supplied with liveries on the same scale.
